RB-2™ Rotary Braider

Magnatech's goal is to provide each customer with specialized training in order to maximize their production. The Technical Seminars are specially designed for machine operators, maintenance personnel, maintenance supervisors, production personnel, plant engineers and hose product engineers.

These seminars offer an excellent opportunity to meet and discuss specific technical problems, concerns, and suggestions directly with the Magnatech Engineering Department Staff and Technical Service Representatives.

## CONTENT AND FORMAT

Seminars will be presented on the following machinery:

- 225-II Maypole Braider
- Bobbin Winding - BW-5 and BW-7-M
- Haul-Offs
- RB-2™ Rotary Braider
- WSW and Wire Preforming

*Seminar attendees view a presentation given by Barry Graeff, Manager-Research and Development*

The training format will consist of Engineering presentations and demonstrations that will review the design, installation, operation, and maintenance of the topic machine. Each participant will receive a braiding machine manual for future reference.

Additionally, during the period of attendance, customer representatives will have full access to the Product Demonstration Facility. Many products will be available for demonstration and discussion.

### **PLEASE NOTE:**

Attendees should be aware that technical seminars are presented in English at a rapid pace.

## GENERAL INFORMATION

There will be no charge to attend these seminars. Lunch will be provided on seminar days. Private banquets for seminar attendees will be held on the evenings of Monday, October 14<sup>th</sup> and Wednesday, October 16<sup>th</sup>. Transportation (with the exception of between The INN at Reading and Magnatech), lodging, and additional meals and expenses are not included.

Hotel reservations will be arranged by Magnatech at The INN at Reading, 1040 N. Park Road, Wyomissing, PA 19610. A limited number of discounted hotel rooms have been made available for this event at the corporate rate of \$83.00 per night single/double occupancy. These rates are subject to 6% sales tax and 5% local hotel occupancy tax. *All hotel rooms are non-smoking.* Guest check-in time is 3:00 p.m. and check-out time is 11:00 a.m.

*Seminar attendees learning to assemble a 225-II Yarn Carrier with Technical Service Representative.*

Dress code for the seminars is casual (blue jeans or work cloths are acceptable). Business casual attire is acceptable for the banquets.
